Sir:

Please amend the application as follows:

IN THE DRAWINGS:

In response to the Examiner's rejection of the drawings under 37 C.F.R. 1.84(p)(4), Applicants submit revised Figures 3A and 3B. The Examiner has noted that the reference numeral "130" is used to designate different structures. It appears, however, that this numeral is used to generally designate the (optional) treatment device. It also appears that the lead lines are

simply designating different portions of the same treatment device as “130.” To avoid comparison, the lead line and reference numeral “130” used to identify the more proximal, lumen portion of the treatment device are deleted. Replacement of the existing Figures 3A and 3B with the revised drawings submitted as a proposed drawing correction is requested.
